

## **ANNUAL REPORT 2019-2020**

Our heartily welcome to the Holy Family Public School. We would like to thank you all for responding to our invitation and gracing the occasion. We have great pleasure in presenting to you the Annual Report. This year has been a very eventful one for us. We have made great efforts to transform ourselves completely and have been extremely successful in most of our endeavors apart from preparing the students to qualify for purely academic demands, special effort are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who passed out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society.

We are proud to report that 2018 – 2019 batch of X std students have brought laurels to the school by their excellent results. We achieved 100 % results in CBSE class X Examination. The students have achieved excellent marks with 14 distinction and 8 first class. Dency.K . Jose achieved 97 % with full A1 . In our school all examinations are conducted in a board format where the question papers are designed by multiple teachers , so that every time a child write the exam , he is facing a new challenge on his own without any help from his / her teachers .

A large number of projects have been implemented in the year to emphasis on the concept of learning through doing for better concept penetration. The school believes in getting many organizations for an house training purposes. Many of our teachers were sent for In – service training programmes and workshops to enhance their teaching skills . Authors of all major publishers of books have come to the school to train our teachers . The seminar on capacity building programme conducted by the CBSE . All our teachers went to Jyothi Nikethanin Allepy to join the seminar conducted by CBSE . Sports and games are also given equal importance as compliments to academic . In the field of sports , our students have participated whole – heartedly and achieved many prizes .

The school has always been taking initiatives to get the best talent in the sports areas . We have consolidated the sports activities on the weekends where

the school has tied up with professional coaches at national level for football, skating, karate and yoga. These specially trained coaches are playing and coaching at many national events in the country and are training our students at Holy Family. The sports programme helps us in identifying talents in particular sports and give more exposure to the students. Ample of opportunity to exhibit their aptitudes and talents. Our students find expression through inter class competition singing, dancing, painting, craft, quiz, debates, elocutions, recitations, creative writing, flower arrangement, floral carpet above all through academic excellence. Our students are also exposed to inter school competitions to develop self confidence and to interact with other students.

Central Board of Secondary Education [CBSE] has grouped 5 or 6 schools together and called it as hub of learning. Various competitions such as General Knowledge and essay writing on 'enteevarshathe Onam'. The following students are the winners, Devika Sunil from Std VI, Nikitha Dominic from Std VII, Lakshmi Binu from Std VIII and the General Knowledge competition was conducted with the topic on Mahatma Gandhi, the following students bagged the first prize, Devika Sunil from Std VI, Saanjay George from Std VII, Lakshmi Binu from Std VIII. At the inter school skating competition Saanjay George from Std VII secures the 1st prize. Many of our children joined the Sahodaya competition and secured A grade and B grade.

The school focuses on social service and community development, free education, free concessions, books and uniforms are provided to deserving students. School bag and note books were given to all the students as gift from the school. The school has many students who not only excel in academics but also in different areas of life. The science exhibition was held in the month of November. The students came forward with new creative ideas and models on topic given separately for every class. Many new concepts regarding the designing of future city, new energy concepts etc – were shown – created by the students. It is important for the children to realise how privileged they are to have wonderful parents like you.

The school has conducted responsibility camps during the year for the children to realize the importance of sharing and helping. Our school office bearers were officially sworn in a very impressive ceremony on July 2<sup>nd</sup>. The

school cabinet was lead by our Head boy Jeffry Benny and Head girl LiyonaJilson, Assistant Head boy Leo Pious, Assistant Head girl Aavani Biju, Also the house caption, Red house leaders – YebbesBinu and Mebi Elizabeth Mathew, Blue house leaders – Abhinandh.S and Deol Biju, Green house leaders – Austin George and Zilla Evugin, Yellow house leaders – Jithu V.S and Gourimol Joby.

Independence day way celebrated with patriotic spirit by hosting the National flag and followed by cultural programme. The small kids of our KG's and all other students were put up with an amazing programme. On 5<sup>th</sup> September our school children shows the gratitude towards the teachers by putting up many programmes and assuring them the teacher that they love them. At the same time the teachers shows their motherly love and concern towards the children on 14<sup>th</sup> November by adding colours to many programmes. The kindness of our management is great. We had a great celebration for our grandparents, where we could feel the love and warmth of our elders.

All the good work of the school has been possible with the co-operative of our highly qualified and dedicated teachers and non-teaching staff. Our thanks to the management committee of our school, and all the members of Jyothi Nikethan. There are no words to express to the members of Jyothi Nikethan for, the tireless work to improve this institution, clean room, good auditorium, fantastic water facilities, and generator facilities.

We thank the almighty God for the blessings that he is pouring upon us through the hand of Jyothi Nikethan. We encourage the children to observe, to explore, to experiment, to probe, to analyse, to confront problems and find solutions. Finally to develop the skills essential to face the future. We would like to conclude by extending our sincere thanks to our chief guest, to all our parents and each one of you our well wishes, who have lent a supportive hand down through the years, in all our endeavours to produce a confident, educated and capable batch of students each year. Thus shaping the future of our children who are the destiny of this Country.

Thank you one and all.
